### **Queen Marker Set in Blue**

This set includes:

#### **1 x Queen Marker**

POSCA water based, non-toxic, non-fade, quick drying marker pen in Blue.  
Built in agitator mixes paint prior to use.

Used to mark Queen Bees as a method of location and identification.

#### **1 x Clip Catcher**

An essential item for marking and examination of the Queen, this clip catcher allows for capturing without direct handling.

Simply place over the comb and press the clip between the thumb and forefinger to open the clip when ready to capture your Queen. The excluder sized slots allow any worker bees gathered to easily escape without risk of losing the Queen.

#### **1 x Marker Cage with Plunger**

A gentle way of holding the queen for marking and examination.

## Tools & Smokers : Queen Marker Set in Blue

---

After capturing your queen, simply transfer into the plastic marking tube. Use the plunger to gently push the queen towards the marking cage, the soft sponge pad will prevent any harm to the Queen.

Once ready mark your queen on the exposed thorax with the appropriate colour for the year.

Mark as follows:

- White: Year Ending in 1/6
- Yellow: Year Ending in 2/7
- Red: Year Ending in 3/8
- Green: Year Ending in 4/9
- Blue: Year Ending in 5/0
